

Dear _____

It's time for me to say goodbye friend. I've had so much fun this year!
But before I go I have one thing, a gift, for you that is near.

It's a small trinket from me to you since you've been so good and kind.
Remember it's the small acts of love and kindness, such as this, is what
blesses mankind.

So here's a little gift from me to you to help you remember our time
together.

You can use this gift any time of year, or when you're feeling under
the weather.

I can't wait to see you again next year where we will make more
memories.

Oh the fun we're going to have with all our new play time activities!

Merry Christmas friend! And happy December!

Love,
